Wallingford, Connecticut

Hello, _____

I am Trip Vlahos, a beginner artist searching for an internship in a 3D modeling career at your company. I am a Senior student at Vinal Technical High School, Middletown Connecticut and I have spent the past 3 years in the Information Technology trade, spending my most recent years practicing my 3D modeling skills using Blender.

Getting an internship with your company will allow me to grow and improve my skills . I believe my skills and experience would make me a great candidate for an internship. I am looking forward to hearing back from you about discussing my skills. Thank you for your time and for considering my application, I look forward to hearing back from you.

Sincerely,

Trip Vlahos
